INFORMATION:

1. **Ordering Method:** Unless otherwise instructed or exempted by DPS, all Authorized Users placing orders against this Contract must place purchase orders through eVA.
2. **Purchase Order Information:** When placing an eVA order, follow the Buyer Guide. This guide may be found on eVA (Click on "I Buy For Virginia", then on "eVA Buyer Training", then on "Buyer Guide").
3. **Authorized User Acceptance:** Inspection and acceptance upon delivery and approval of Contractor's invoice is the responsibility of the receiving Authorized User.

OVERVIEW:

The Commonwealth of Virginia is establishing this contract through competitive bidding with multiple experienced, qualified firms, for the purchase of Radar and Lidar for use by law enforcement in the Commonwealth of Virginia.

This contract will be an "as-needed" contract, and will be designed to be accessed by all Commonwealth of Virginia state Agencies, Commissions, Authorities, Boards, Public Bodies, Institutions of Higher Education, Localities, other Public Bodies and Entities. Orders shall be placed in the form of a purchase order issued to firms by the requestor, electronically through eVA. The preferred form of purchase order issuance is through eVA. The Division of Purchases and Supply ("DPS") cannot guarantee the number of individual purchase orders which might be issued nor the dollar amount of any individual purchase orders, credit card purchases or their aggregate amount.

DPS reserves the right, in its sole discretion, to make multiple awards as a result of this IFB based upon responses received.

Authorized RADAR and LIDAR instrument Certification: The National Highway Traffic Safety Administration (NHTSA) has tested and certifies that the radar and Lidar speed measuring instruments indicated on their Conforming Products List meet all the requirements of the radar and Lidar speed-measuring devices testing and approval procedures of DOT HS 809 811 "Lidar Speed-Measuring Device Performance Specifications", and DOT HS 812 266 "Speed Measuring Device Specifications: Down-the-Road Radar Module" as published by the National Highway Traffic Safety Administration (NHTSA) of the U.S. Department of Transportation. The speed measuring units so referenced are authorized for use by Law Enforcement Authorities of the Commonwealth of Virginia. NHTSA CPL can be found at:
https://www.nhtsa.gov/sites/nhtsa.dot.gov/files/documents/combined_cpl_august_15_2018_portrait_format.pdf
