Statement from Adjoining Property Owner with Respect to a Variance

We are the next-door neighbors of the property at 604 Beulah Rd owned by Vipul Masih & Sonia Kannadan. We understand that they are attempting to obtain a variance for the driveway extension for their property and we do not have any objections. We do not believe the parking pad is detrimental to our property.

Thank you.

Statement from Adjoining Property Owner with Respect to a Variance

My house is adjoining to the property at 604 Beulah Rd owned by Vipul Masih & Sonia Kannadan. I understand that they are attempting to obtain a variance for the driveway extension for their property and I do not have any objections. I agree that the parking pad is needed given the traffic pattern for Beulah Rd and for safe exit from their home. I do not believe the parking pad is detrimental to our property.

Thank you.
