ADDENDUM #1

IFB 20-10 OLD COURTHOUSE ROAD PEDESTRIAN ACCESS IMPROVEMENTS

*******ATTENTION BIDDERS*******

(To be completed and returned with bid response)

1. Q: The time restrictions for lane closures on phase 1 are 9:30am to 3:00pm Mon – Thu and 9:30am to 2:00pm Friday ; for phase 2 the time restrictions are different from 9:00am to 3:30pm Mon – Thu and 9:00am to 2:00pm Friday. The traffic control setup will likely affect both sides, please clarify how we are to consider the time restrictions if that's the case.
A: The Contractor shall realize and factor cost to the following:
 - i. *The Project's improvement in the Town are subject to the Town's Lane Closure Policy.*
 - ii. *The Project's improvements in the County are subject to obtaining a VDOT LUP (at Contractor's cost), subject to VDOT's Lane Closure policy, updating VDOT LCAMS and ensure all elements are accepted in VDOT system for maintenance (at Contractor's cost).*
 - iii. *The Contractor will be subject to the more restrictive applicable lane closure policy if the lane closures cross jurisdictional lines.*
2. Q: The stormwater structure breakdown references sheet 6 of the plans but they seem to be missing. Please clarify if we are missing plan sheets 6?
A: There are two plan-sets within the packages. See entirety of the packages, as Sheet 6 elements are in 2nd set.
3. Q: There is a bid item for 32 (2" caliper) trees but I cannot find a breakdown in the plans of the species which are required. Could you please provide a breakdown of the tree species required for the 32 trees?
A: The Town of Vienna shall determine what species of trees to plant. Unless otherwise directed by the Town, the following tree types shall be evenly distributed:
 - iv. *Type 1 = Red Maple*
 - v. *Type 2 = Willow Oak*
 - vi. *Type 3 = Northern Red Oak*
4. Q: Could you please clarify which wage determination we should be considering?
A: The Wage Scale is attached.

ALL OTHER TERMS, CONDITIONS, AND SPECIFICATIONS SHALL REMAIN THE SAME.

A copy of this signed addendum must accompany your response as an acknowledgment of its receipt:

"General Decision Number: VA20200116 02/07/2020

Superseded General Decision Number: VA20190116

State: Virginia

Construction Type: Highway

Counties: Fairfax, Fairfax* and Falls Church* Counties in Virginia.

*including the independent cities of Falls Church and Fairfax

HIGHWAY CONSTRUCTION PROJECTS (excluding tunnels, building structures in rest area projects & railroad construction; bascule, suspension & spandrel arch bridges designed for commercial navigation, bridges involving marine construction; and other major bridges).

Note: Under Executive Order (EO) 13658, an hourly minimum wage of \$10.80 for calendar year 2020 applies to all contracts subject to the Davis-Bacon Act for which the contract is awarded (and any solicitation was issued) on or after January 1, 2015. If this contract is covered by the EO, the contractor must pay all workers in any classification listed on this wage

determination at least \$10.80 per hour (or the applicable wage rate listed on this wage determination, if it is higher) for all hours spent performing on the contract in calendar year 2020. If this contract is covered by the EO and a classification considered necessary for performance of work on the contract does not appear on this wage determination, the contractor must pay workers in that classification at least the wage rate determined through the conformance process set forth in 29 CFR 5.5(a)(1)(ii) (or the EO minimum wage rate, if it is higher than the conformed wage rate). The EO minimum wage rate will be adjusted annually. Please note that this EO applies to the above-mentioned types of contracts entered into by the federal government that are subject to the Davis-Bacon Act itself, but it does not apply to contracts subject only to the Davis-Bacon Related Acts, including those set forth at 29 CFR 5.1(a)(2)-(60). Additional information on contractor requirements and worker protections under the EO is available at www.dol.gov/whd/govcontracts.

=====

Note: Executive Order (EO) 13706, Establishing Paid Sick Leave
for Federal Contractors applies to all contracts subject to the
Davis-Bacon Act for which the contract is awarded (and any
solicitation was issued) on or after January 1, 2017. If this
contract is covered by the EO, the contractor must provide
employees with 1 hour of paid sick leave for every 30 hours
they work, up to 56 hours of paid sick leave each year.
Employees must be permitted to use paid sick leave for their
own illness, injury or other health-related needs, including
preventive care; to assist a family member (or person who is
like family to the employee) who is ill, injured, or has other

health-related needs, including preventive care; or for reasons resulting from, or to assist a family member (or person who is like family to the employee) who is a victim of, domestic violence, sexual assault, or stalking. Additional information on contractor requirements and worker protections under the EO is available at www.dol.gov/whd/govcontracts.

Unlisted classifications needed for work not included within the scope of the classifications listed may be added after award only as provided in the labor standards contract clauses (29CFR 5.5 (a) (1) (ii)).

The body of each wage determination lists the classification and wage rates that have been found to be prevailing for the cited type(s) of construction in the area covered by the wage determination. The classifications are listed in alphabetical order of "identifiers" that indicate whether the particular rate is a union rate (current union negotiated rate for local), a survey rate (weighted average rate) or a union average rate (weighted union average rate).

Union Rate Identifiers

A four letter classification abbreviation identifier enclosed in dotted lines beginning with characters other than ""SU"" or ""UAVG"" denotes that the union classification and rate were prevailing for that classification in the survey. Example: PLUM0198-005 07/01/2014. PLUM is an abbreviation identifier of the union which prevailed in the survey for this classification, which in this example would be Plumbers. 0198 indicates the local union number or district council number where applicable, i.e., Plumbers Local 0198. The next number, 005 in the example, is an internal number used in processing the wage determination. 07/01/2014 is the effective date of the most current negotiated rate, which in this example is July 1, 2014.

Union prevailing wage rates are updated to reflect all rate changes in the collective bargaining agreement (CBA) governing this classification and rate.

Survey Rate Identifiers

Classifications listed under the ""SU"" identifier indicate that no one rate prevailed for this classification in the survey and the published rate is derived by computing a weighted average

rate based on all the rates reported in the survey for that classification. As this weighted average rate includes all rates reported in the survey, it may include both union and non-union rates. Example: SULA2012-007 5/13/2014. SU indicates the rates are survey rates based on a weighted average calculation of rates and are not majority rates. LA indicates the State of Louisiana. 2012 is the year of survey on which these classifications and rates are based. The next number, 007 in the example, is an internal number used in producing the wage determination. 5/13/2014 indicates the survey completion date for the classifications and rates under that identifier.

Survey wage rates are not updated and remain in effect until a new survey is conducted.

Union Average Rate Identifiers

Classification(s) listed under the UAVG identifier indicate that no single majority rate prevailed for those classifications; however, 100% of the data reported for the classifications was union data. EXAMPLE: UAVG-OH-0010 08/29/2014. UAVG indicates that the rate is a weighted union average rate. OH indicates the state. The next number, 0010 in the example, is an internal number used in producing the wage determination. 08/29/2014 indicates the survey completion date

for the classifications and rates under that identifier.

A UAVG rate will be updated once a year, usually in January of each year, to reflect a weighted average of the current negotiated/CBA rate of the union locals from which the rate is based.
