To: Local Officials of Non-Entitlement Units of Government

From: Aubrey L. Layne, Jr., Secretary of Finance

Subject: Allocations of Coronavirus State and Local Fiscal Recovery Funds to Non-Entitlement Units of Government (NEU) Pursuant to the Federal *American Rescue Plan Act* (ARPA)

What you need to know about your ARPA funds – in short

- The Commonwealth has received funding for towns designated by the federal government as NEUs but needs your help to distribute your allocation as soon as possible. A preliminary estimate of the amount available to your town is shown in Appendix A.
- You will need a DUNS number to obtain your funds and meet your federal reporting requirements. Guidance on obtaining a DUNS number is provided in Appendix B. Your first federal report on the use of these funds is required to be submitted to the U.S. Department of Treasury (Treasury) by October 31, 2021. A summary of your federal reporting requirements is also provided in Appendix B. You should be aware that federal guidelines permit towns to use a portion of ARPA funds for administrative costs associated with managing this grant program.
- Towns have broad flexibility to spend these funds to respond to the COVID-19 pandemic. Specific federal requirements and reference links on the use of these funds are provided in Appendices C, D, and E.
- Pursuant to federal law, the amount you receive cannot exceed 75% of the town operating budget that was in effect as of January 27, 2020. In order to confirm the amount you will

receive, you and your fiscal representative will need to provide your town's operating budget amount and sign the certification form provided in Appendix F.

- If you decide to decline your allocation, you will need to sign and return the certification in Appendix G.

Background

As most of you are aware, Congress passed and the President recently signed the ARPA Act of 2021. This Act provides funding for a number of different programs to address the COVID-19 pandemic. A primary component of the ARPA is \$350 billion in assistance for eligible state, local, territorial, and Tribal governments for the direct impact of the COVID-19 pandemic through the establishment of the Coronavirus State and Local Fiscal Recovery Fund (CSLFRF).

The CSLFRF provides for \$19.53 billion to support tens of thousands of non-entitlement units of government (NEUs), which are local governments typically serving a population under 50,000. Allocations for NEUs were sent to states based on population. Localities with populations greater than 50,000 could apply to receive funds directly from Treasury. All other CSLFRF funds were distributed to the states to disburse to the NEUs.

Virginia received approximately \$316.9 million on May 28, 2021, which is half of the Commonwealth's allocated \$633.8 million of NEU CSLFRF. Virginia must now distribute these funds to its NEUs within 30 days or seek a waiver from Treasury. The remaining fifty percent of the NEU allocation will not be sent to Virginia until approximately this time next year.

NEU CSLFRF provides eligible governments with a substantial infusion of resources to meet pandemic response needs and rebuild a stronger, and more equitable, economy as the country recovers. See Appendix E for descriptions of the categories of expenditures for which recipients may use these funds. Within these overall categories, recipients have broad flexibility to decide how best to use this funding to meet the needs of their communities.

Allocation of CSLFRF Funds to NEUs

NEUs are local governments typically serving populations of less than 50,000. NEUs include cities, villages, towns, townships, or other types of local governments. NEUs will receive CSLFRF payments through the Commonwealth. The Commonwealth has received a specific allocation of these funds from Treasury for this purpose and is responsible for distributing these funds to NEUs within the state.

Award amounts are based on the population of the NEU. Fifty (50) percent of the NEU allocations will be distributed to NEUs as soon as possible by the Department of Accounts (DOA) after receipt of a signed certification from the NEU (Appendix E). This distribution will

be made to you electronically in accordance with current State Electronic Data Interchange (EDI) protocol or by check if you are not enrolled in EDI.

Each NEU's allocation will be based on the proportion that the NEU's population represents of the total statewide NEU population, up to 75 percent of the most recent NEU operating budget as of January 27, 2020. Appendix A reflects the preliminary calculation of funding based on population used by Treasury to allocate CSLFRF funds to the states for NEUs. This population data is the preliminary basis for determining the allocations to each NEU but is subject to change if necessary to ensure the state is distributing funds in accordance with Treasury guidelines.

This table also includes your NEU Recipient Number, as required by Treasury. Although guidance documents have been issued, states are raising a number of questions that may result in answers that could impact these preliminary allocations.

Requirements for Use of Funds and Certifications

The amounts listed in Appendix A are preliminary estimates of the amount from the first tranche of CSLFRF funds that will be transferred to each NEU after receipt of the required certification (Appendix F) from the NEU, which is required to be signed by an authorized representative (Town Manager, Mayor, etc.) and a fiscal contact person (Treasurer, Finance Director, Finance Officer, etc.). Before signing the documents, please read and understand the most recent federal guidance and the frequently asked questions, which can be obtained at:

<https://home.treasury.gov/policy-issues/coronavirus/assistance-for-state-local-and-tribal-governments/state-and-local-fiscal-recovery-fund/non-entitlement-units>.

Please note that the certification statement includes an acknowledgment that you may be required to return funds to the federal government if it is determined that those funds were spent for purposes that do not qualify. Since these funds are being provided to you "up front" rather than on a reimbursement basis, it is important for you to understand that the burden of ensuring that all CSLFRF funds are spent for qualifying purposes falls on you, the NEU. Pursuant to the ARPA, your locality is designated as a recipient; therefore, you are responsible for maintaining all necessary documentation to ensure compliance with the federal requirements and you will be responsible for all federal reporting (see Appendix B).

If the federal government determines that you have used CSLFRF funds for purposes that do not qualify, you must return those funds to the federal government. **If** the federal government issues guidance that the funds must be returned to the state before being returned to the federal government, you are responsible for returning funds to the Commonwealth. If you do not return the funds as directed, the Commonwealth can use state aid intercept to recover funds that are not returned in a timely manner.

The required certification encompasses the federal requirements outlined in this memorandum and provided in Appendices C, D, and E. **In order to receive your NEU's allocation, the**

CERTIFICATION FORM TO BE SUBMITTED FOR PAYMENT OF CORONAVIRUS STATE AND LOCAL FISCAL RECOVERY FUNDS, ASSISTANCE LISTING NUMBER 21.027 (Appendix F) must be submitted no later than **June 15, 2021, to the Department of Accounts in electronic form to GACCT@DOA.Virginia.gov.**

In order to decline your NEU allocation, the CERTIFICATION FORM TO BE SUBMITTED FOR DECLINE OF CORONAVIRUS STATE AND LOCAL FISCAL RECOVERY FUNDS, ASSISTANCE LISTING NUMBER 21.027 (Appendix G) must be submitted no later than **June 15, 2021, to the Department of Accounts in electronic form to GACCT@DOA.Virginia.gov.**

If you have any questions about this process, you may contact my office at (804) 786-1148. If you have technical questions about the forms or the distribution of the funds, please contact Melinda Pearson, Director, General Accounting, Department of Accounts, at Melinda.Pearson@DOA.Virginia.gov or by phone at 804-225-2376.

APPENDIX B: FEDERAL REPORTING REQUIREMENTS

Your entity will need a DUNS number to meet your federal reporting requirements related to CSLFRF.

If your entity already has a DUNS number, and you need to verify it, please visit <https://fedgov.dnb.com/webform/CCRSearch.do> and follow the prompts under the Company Lookup tab to obtain your entity's registered DUNS number.

If your entity does not have a DUNS number, and you need to establish one, please visit <https://www.dnb.com/duns-number/get-a-duns.html> and follow the prompts to request a DUNS number.

Once you receive a valid DUNS number, your entity must also register in SAM.gov as soon as possible after receiving the award, to support efficient reporting to Treasury.

NEUs are considered prime recipients of CSLFRF funding distributed from the Commonwealth and are required to file an annual project and expenditure report. Per Treasury guidance, *"Non-entitlement units of local government will be required to submit the project and expenditure report annually. The initial annual Project and Expenditure report for non-entitlement units of local government will cover activity from the date of award to September 30, 2021 and must be submitted to Treasury by October 31, 2021. The subsequent annual reports must be submitted to Treasury by October 31 each year."*

Treasury has indicated that additional reporting instructions should be forthcoming.

APPENDIX D: ASSURANCES OF COMPLIANCE WITH CIVIL RIGHTS REQUIREMENTS

ASSURANCES OF COMPLIANCE WITH TITLE VI OF THE CIVIL RIGHTS ACT OF 1964

As a condition of receipt of federal financial assistance from the Department of the Treasury, the recipient named below (hereinafter referred to as the “Recipient”) provides the assurances stated herein. The federal financial assistance may include federal grants, loans and contracts to provide assistance to the Recipient’s beneficiaries, the use or rent of Federal land or property at below market value, Federal training, a loan of Federal personnel, subsidies, and other arrangements with the intention of providing assistance. Federal financial assistance does not encompass contracts of guarantee or insurance, regulated programs, licenses, procurement contracts by the Federal government at market value, or programs that provide direct benefits.

The assurances apply to all federal financial assistance from or funds made available through the Department of the Treasury, including any assistance that the Recipient may request in the future.

The Civil Rights Restoration Act of 1987 provides that the provisions of the assurances apply to all of the operations of the Recipient’s program(s) and activity(ies), so long as any portion of the Recipient’s program(s) or activity(ies) is federally assisted in the manner prescribed above.

1. Recipient ensures its current and future compliance with Title VI of the Civil Rights Act of 1964, as amended, which prohibits exclusion from participation, denial of the benefits of, or subjection to discrimination under programs and activities receiving federal financial assistance, of any person in the United States on the ground of race, color, or national origin (42 U.S.C. § 2000d et seq.), as implemented by the Department of the Treasury Title VI regulations at 31 CFR Part 22 and other pertinent executive orders such as Executive Order 13166, directives, circulars, policies, memoranda, and/or guidance documents.
2. Recipient acknowledges that Executive Order 13166, “Improving Access to Services for Persons with Limited English Proficiency,” seeks to improve access to federally assisted programs and activities for individuals who, because of national origin, have Limited English proficiency (LEP). Recipient understands that denying a person access to its programs, services, and activities because of LEP is a form of national origin discrimination prohibited under Title VI of the Civil Rights Act of 1964 and the Department of the Treasury’s implementing regulations. Accordingly, Recipient shall initiate reasonable steps, or comply with the Department of the Treasury’s directives, to ensure that LEP persons have meaningful access to its programs, services, and activities. Recipient understands and agrees that meaningful access may entail providing language assistance services, including oral interpretation and written translation where necessary, to ensure effective communication in the Recipient’s programs, services, and activities.
3. Recipient agrees to consider the need for language services for LEP persons when Recipient develops applicable budgets and conducts programs, services, and activities. As a resource, the Department of the Treasury has published its LEP guidance at 70 FR 6067. For more information on taking reasonable steps to provide meaningful access for LEP persons, please visit <http://www.lep.gov>.
4. Recipient acknowledges and agrees that compliance with the assurances constitutes a condition of continued receipt of federal financial assistance and is binding upon Recipient and Recipient’s successors, transferees, and assignees for the period in which such assistance is provided.

5. Recipient acknowledges and agrees that it must require any sub-grantees, contractors, subcontractors, successors, transferees, and assignees to comply with assurances 1-4 above, and agrees to incorporate the following language in every contract or agreement subject to Title VI and its regulations between the Recipient and the Recipient's sub-grantees, contractors, subcontractors, successors, transferees, and assignees:

The sub-grantee, contractor, subcontractor, successor, transferee, and assignee shall comply with Title VI of the Civil Rights Act of 1964, which prohibits recipients of federal financial assistance from excluding from a program or activity, denying benefits of, or otherwise discriminating against a person on the basis of race, color, or national origin (42 U.S.C. § 2000d et seq.), as implemented by the Department of the Treasury's Title VI regulations, 31 CFR Part 22, which are herein incorporated by reference and made a part of this contract (or agreement). Title VI also includes protection to persons with "Limited English Proficiency" in any program or activity receiving federal financial assistance, 42 U.S.C. § 2000d et seq., as implemented by the Department of the Treasury's Title VI regulations, 31 CFR Part 22, and herein incorporated by reference and made a part of this contract or agreement.

6. Recipient understands and agrees that if any real property or structure is provided or improved with the aid of federal financial assistance by the Department of the Treasury, this assurance obligates the Recipient, or in the case of a subsequent transfer, the transferee, for the period during which the real property or structure is used for a purpose for which the federal financial assistance is extended or for another purpose involving the provision of similar services or benefits. If any personal property is provided, this assurance obligates the Recipient for the period during which it retains ownership or possession of the property.

7. Recipient shall cooperate in any enforcement or compliance review activities by the Department of the Treasury of the aforementioned obligations. Enforcement may include investigation, arbitration, mediation, litigation, and monitoring of any settlement agreements that may result from these actions. The Recipient shall comply with information requests, on-site compliance reviews and reporting requirements.

8. Recipient shall maintain a complaint log and inform the Department of the Treasury of any complaints of discrimination on the grounds of race, color, or national origin, and limited English proficiency covered by Title VI of the Civil Rights Act of 1964 and implementing regulations and provide, upon request, a list of all such reviews or proceedings based on the complaint, pending or completed, including outcome. Recipient also must inform the Department of the Treasury if Recipient has received no complaints under Title VI.

9. Recipient must provide documentation of an administrative agency's or court's findings of non-compliance of Title VI and efforts to address the non-compliance, including any voluntary compliance or other agreements between the Recipient and the administrative agency that made the finding. If the Recipient settles a case or matter alleging such discrimination, the Recipient must provide documentation of the settlement. If Recipient has not been the subject of any court or administrative agency finding of discrimination, please so state.

10. If the Recipient makes sub-awards to other agencies or other entities, the Recipient is responsible for ensuring that sub-recipients also comply with Title VI and other applicable authorities covered in this document. State agencies that make sub-awards must have in place standard grant assurances and review procedures to demonstrate that they are effectively monitoring the civil rights compliance of subrecipients.

The United States of America has the right to seek judicial enforcement of the terms of this assurances document and nothing in this document alters or limits the federal enforcement measures that the United States may take in order to address violations of this document or applicable federal law.

Under penalty of perjury, the undersigned official(s) certifies that official(s) has read and understood the Recipient's obligations as herein described, that any information submitted in conjunction with this assurances document is accurate and complete, and that the Recipient is in compliance with the aforementioned nondiscrimination requirements.
