EVA

Equal parts style, comfort and sustainability, our new Eva bench is the latest engineering achievement in the Reverie Collection. Like other products in the line, Eva embodies attention to high quality design, craftsmanship and relaxation. Its slim profile and integral armrests make for sleek design. In addition, its exceptionally high recycled steel content is sourced from domestic electric furnace mills. In fact, approximately 98% of the raw material of our A36 steel bar is post-consumer or post-industrial, making green even greener. It's just one more way Victor Stanley helps you create timeless moments.

2, 4, 6 or 8 ft (.61, 1.2, 1.8 or 2.4 m) length. 8 ft (2.4 m) length includes center arm/leg with wood slats and a center leg with steel slats.

*Covered by one or more of the following: US Patent D710,625 S; D710,139 S.

STANDARD

All fabricated metal components are steel shotblasted, etched, phosphatized, preheated and electrostatically powder-coated with TGIC polyester powder coatings.
