## Project Description

### Project Description:

444 Maple Ave is a mixed-use building with 3 stories of 150 wood-framed residential units over 18,800 SF of retail space, an open parking garage for retail, and a residential lobby and leasing office. The 2nd Floor has 2 courtyards containing a pool and outdoor

Amenity areas, as well as indoor fitness and club room off of the pool courtyard. There is an additional level of below grade parking for residents and street parking for prospective tenants. The building is broken up along the ground floor by 2 large plazas, connecting retail and inviting pedestrians to utilize the space.
