Subject:
Stormwater Management Presentation

DATE(S) OF PRIOR COUNCIL CONSIDERATION OF THIS ISSUE:

Oct. 15, 2018 - Council attended a Stormwater Management Presentation by David Bulova with Wood Environment & Infrastructure Solutions, Inc.

EXPLANATION AND SUMMARY:

David Bulova from WSP (formerly Wood Environment & Infrastructure Solutions, Inc), the Town’s on-call environmental engineer, will present an update on the status of the Town’s municipal separate storm sewer system (MS4) permit to the Council. The Town's stormwater general permit requires periodic updates on the stormwater program including progress towards the Chesapeake Bay and other local water quality targets.

Strategic Plan Initiative: *Vienna is an environmentally sustainable community.*

Town Attorney Recommendation: No formal action by the Town Council is proposed for this Agenda Item at this time.

Town Manager's Recommendation: I recommend the Town Council receive the presentation.
