Subject:

Proposed Increase to New Council Salaries

BACKGROUND SUMMARY :

Council salaries have not been increased since 2014 for Mayor, and much longer for Council. Most surrounding jurisdictions have recently reviewed Council and Mayor salaries and increased them.

OVERVIEW :

This increase cannot be applied to salaries of the sitting Mayor and Council, but would be effective 1/1/24 for Mayor and Council elected in the November 2023 election.

SUMMARY/STAFF IMPRESSIONS :

Vienna’s Council and Mayor are due a salary increase. Not only because their salaries have not been changed in many years, but also because we lag behind other jurisdictions of similar sizes.

RECOMMENDATION :

Staff recommends Council discuss salary increases and decides on an amount.
