Subject:
Community Center Renovation Monthly Update
BACKGROUND SUMMARY :

Until the project is complete, staff will provide monthly updates as part of Town Council work sessions in order to keep Town Council and members of the community up-to-date on progress of the Vienna Community Center renovation and expansion. The first of these updates will be provided on Monday, November 9, at the Town Council work session. Leon Evans, community center manager, and Brad Macomber, project manager, will attend this meeting to provide an update and answer questions from Council and the general public.
