The resolution, which is attached, authorizes staff to issue a request for proposals from financing institutions. The term will be four years with even payments.

The IFB will be prepared the week of July 11, 2016. All responses will be due no later than July 29, 2016 and will be brought before Council for approval on August 22, 2016. Once Council approves financing, departments can purchase replacement vehicles and equipment.
