Subject:

Transportation Safety Commission (TSC) motion for Tapawingo Rd SW and Kingsley Rd SW traffic-calming

EXPLANATION AND SUMMARY :

During the February 26, 2018 Transportation Safety Commission (TSC) meeting, a final motion for Tapawingo Rd SW and Kingsley Rd SW traffic-calming was presented. Kingsley Road SW meets Traffic Calming Guide qualifications for traffic-calming. DPW recommends design and installation of a raised median island and choker curb extensions along Kingsley Road SW at the Meadow Lane SW intersection. DPW considers incorporation of stormwater management improvements to include bio-retention facilities within choker-curb islands as shown in the attached presentation to the TSC. DPW estimates the total design and construction cost for these improvements on both roads to be approximately \$200,000 (\$50,000 for design and \$150,000 for construction). Since this potential project includes water-quality improvements, staff is working with Fairfax County staff to fund this within the County's stormwater tax revenue fund. If Council approves the TSC motion and design concept, staff will begin scoping final design and request Council's approval for expenditure of design funds at a future Council meeting.

As an additional immediate traffic-calming measure, DPW has recommended and installed temporary Pole-Mounted Speed Display (PMSD) signs at the intersection of Kingsley Road SW at Meadow Lane, displayed for westbound vehicles, as well as on Tapawingo Road SW near Meadow Lane.

Departmental Recommendation : Recommend approval.

Finance Recommendation : Recommend approval of concept, pending final identification of funding source.

Purchasing Recommendation : N/A

Town Attorney Recommendation : Town Council may accept the traffic-calming recommendations of the Transportation Safety Commission in its discretion. Award of any contract and authorization of expenditure of funds for the project requires another agenda item and formal approval of Town Council.

Town Manager's Recommendation : I recommend the Town Council approve the Transportation Safety Commission motion for traffic-calming measures as presented.

Cost and Financing: N/A

Account Number: N/A

Decision Needed by This date: 04/09/2018

PROPOSED/SUGGESTED MOTION

"I move to approve the Transportation Safety Commission motion for traffic-calming measures, as presented by the TSC, along Tapawingo Road SW and Kingsley Road SW."

Or

Other action deemed necessary by Council.
