Subject:

Public Hearing for Permit Parking in the 100 Block of Patrick Street SW.

EXPLANATION AND SUMMARY :

Twice in 2017, The Police Department conducted parking studies on Patrick Street SW between DeSale St. and Cottage St. SW at the request of council after citizens expressed concerns about parking from the nearby apartment complex impacting Patrick Street. Both studies showed the level of non-resident parking was not sufficient to reach the threshold for permit parking established by Town Code 9-12.3.1, Parking prohibited on certain residential streets. However, when just the 100 block of Patrick Street SW was considered, the threshold was met. Many of the streets surrounding this area already have permit parking established 7 days a week from 7:00 pm to 6:00 am.
