Subject:

Request award of RFP 19-01 for On-Call Engineering Services

EXPLANATION AND SUMMARY :

The Town's contract for on-call engineering services expired June 30, 2018. Twelve (12) proposals were received in response to RFP 19-01. After initial evaluation and ranking of the firms by an evaluation committee, six (6) firms were interviewed: Urban Ltd, Whitman Requardt & Associates (WRA), A. Morton Thomas, Stantec, Dewberry, and Christopher Consultants. The firms were given an opportunity (via interview and presentation) to expand or elaborate on their firm's attributes and approach to providing the services required. As a result of these interviews, the review committee determined the top firms to be: Whitman, Requardt & Associates and Urban Ltd.

Negotiations were held with each firm. An agreement, to the satisfaction of the Town, was reached regarding the hourly rates of each firm. Therefore, based on the summation of proposals received, the evaluation process used, and the result of negotiations, the firms are considered to be "Responsive." "Responsiveness" of the proposers has been determined by the review committee.
