SUBJECT:

Request to approve T-Mobile Northeast LLC proposed First Amendment to Deed of Lease for an extension and amendment to the Town of Vienna Tapawingo Water Tank lease agreement with T-Mobile

EXPLANATION AND SUMMARY :

T-Mobile desires to extend its current lease for installed equipment on and around the Town's 119-foot tall water tank located at 411-413 Tapawingo Road SW. The proposed lease extension covers the already installed 9 panel antennas (in three groups of three) installed on the catwalk railing around the elevated tank, and an option to add one more set of antennas, as well as the existing ground equipment and connecting cabling.

The proposed First Lease Amendment is for a five (5) year term with two (2) extension options and has revised monthly rental amounts of \$3,916.66 which incorporate capital expenses reimbursement and ground space fees.

There have been no operational issues with T-Mobile and its equipment has caused no interference with the Town's operations at the Tapawingo Water Tank.

T-Mobile currently has a conditional use permit issued by the Board of Zoning Appeals and their equipment was previously approved by the Board of Architectural Review.
