**Subject:**  
Council articles in the Vienna Voice newsletter  
**BACKGROUND SUMMARY :**

Traditionally, Councilmembers have taken turns writing an article on a rotating basis for one of the June-December issues of Vienna Voice, the Town's monthly newsletter. The mayor writes the June article, and other months are assigned based on Council seniority - the longest-serving Councilmember writes the July article while the newest Councilmember writes the December one. (No Council article is published January-May to avoid "election season" and any appearance of politicizing the article.) The topic of the article has been left entirely to each Councilmember; the tradition has been that the article is non-political and informational. Councilmember Colbert has requested that Council discuss these articles and recent topic selections.
