Staff recommendations for projects from the Maple Avenue Multimodal Study

BACKGROUND SUMMARY: The Town has tasked Kimley-Horn to conduct a multimodal transportation study of the Maple Avenue Corridor. This study will be coordinated with ongoing land use planning, redevelopment, and rezoning of properties in the Maple Avenue Commercial (MAC) Zone district. The purpose of this study will be to develop a set of near- and mid-term recommendations along Maple Avenue for all modes of transportation. Town Council discussed parameters of this study at a work session on November 5, 2018 and approved spending for this project at the January 7, 2019 Town Council meeting.

The project consisted of 3 phases as summarized below:

- 1 Evaluation of Existing Transportation Conditions
March 2019
 - Study Kick-Off
 - Study Area Walking TourApril 2019
 - Town Council Work Session #1
 - Public Workshop #1
- 2 Evaluation of Future Transportation Conditions
June 2019
 - Town Council Work Session #2
 - Public Workshop #2
- 3 Identification and Evaluation of Potential Strategies
August 2019
 - Town Council Work Session #3September 2019
 - Public Workshop #3
 - Preliminary Recommendations

November 2019

- Town Council Work Session #4
- Final Recommendations

December 2019

- Final Report draft

OVERVIEW: Council will receive a list of staff-recommended projects along with costs and potential implementation schedule for Council to consider and discuss.

RECOMMENDATION:

Provide feedback and recommendations to staff on the list of projects.
