Subject:

Recommendation by the Planning Commission to the Board of Zoning Appeals on request for conditional use permit for live entertainment for Hawk & Griffin Public House, located at 405-409 Maple Avenue West in the C-1 zone.
AND
Recommendation by the Planning Commission to the Town Council on related request for modification of requirement to allow parking between the building setback line and the street line in the C-1 zone, for the property located at 405-409 Maple Avenue West.

BACKGROUND SUMMARY:

The subject site is approximately 0.29 acres, located along Lewis Street Northwest. A one-story brick commercial building, built in 1988, currently occupies the site.

The applicant is requesting a conditional use permit for live entertainment for a new restaurant. In addition to the conditional use permit, the applicant is also requesting a modification of requirement to allow parking between the setback line and street line. Per Section 18-131 of the Town Code, parking is not permitted between the building setback line and the street line within the C-1 Local Commercial zoning district.

Improvements to the site also include a reconfiguration of the parking lot to increase the available parking from 15 to 18 parking spaces, including upgrading the existing handicapped parking space to meet current ADA regulations. The applicant also proposes to relocate the dumpster enclosure and loading space.
