### Subject:

Council Acceptance of \$49,290.06 in Coronavirus Relief Funds for Utility Relief

### EXPLANATION AND SUMMARY :

The Commonwealth of Virginia established a new Coronavirus Relief Funding (CRF) grant to offset past due utility bills incurred from March 1-December 30, 2020; to utilize these funds, the delinquency must be related to the pandemic, as spelled out in the grant language. While the grant may be applied to residential and commercial customers, the Commonwealth's intent was to help as many customers as possible, not just a few big commercial customers.

The grant requires that customers attest that their delinquent bill is due to the pandemic. Town staff has coordinated with Fairfax County (who will pass the funds through to the Town) and is sending out these forms to identified water and sewer customers. Town staff also will call customers to ensure that we can expend the entire grant by the January 29, 2021 deadline. The grant also covers up to 5% in administrative expenses, which will easily cover the amount of postage for the mailing.

The finance director requests that Council accept an amendment to the subrecipient award with the county and accept the CRF utility grant for \$49,290.06 to assist our customers with delinquent utility bills.
