Subject:

Public Hearing for Budget Carryforward Supplemental Appropriation from FY 2021 To FY 2022

EXPLANATION AND SUMMARY :

Due to pandemic-related budget cutting in FY 2021 and the impact of FY 2021 revenues coming in well above budget, the Town of Vienna has a surplus of more than \$900,000 for fiscal year 2021. It has been the Town's practice to move half of any surplus into unassigned fund balance (rainy day fund) and use the remainder to address unfunded priorities. The Town's practice is also to ensure the rainy-day fund is at least 15% of the next year's budget (rainy day percent).

The Town's budget committee has proposed several scenarios for Council to consider, which were discussed at a conference session on Oct. 18, 2021. All scenarios generate at least a 21.5 percent rainy day fund return.

After discussion, the Council consensus was to reserve funds totaling \$550,000 to lower the real estate tax rate and address turnover and retention issues in the next fiscal year, and to use the remaining \$350,000 to fix current pay compression and budget issues and address unfunded priorities in tree maintenance, landscaping, paving and missing sidewalk links.

The surplus amount to be carried forward to the FY 2021-22 budget is in excess of one percent of the general fund budget, and therefore requires a public hearing in accordance with the Code of Virginia, 15.2-2507.

The Finance Department recommends a public hearing to allow for public comment.
