### **SUBJECT:**

Request approval to purchase sand for road treatment during inclement weather.

### **EXPLANATION AND SUMMARY :**

The long winter and slow deliveries of road salt have required snow fighters to use a sand/salt mix. Traditionally, a few hundred tons of sand is adequate for a normal winter. After the first December storm and the prediction of a severe winter, Public Works received quotes and ordered 200 tons of sand, at \$25.25/ton from the low bidder, Gudelsky Materials for \$5,050.00.

After subsequent storms depleted our supply, the attached Waiver and Emergency Procurement was approved for 300 additional tons of sand. The grand total for FY 13/14 for 500 tons of sand is \$12,635.00, requiring approval by Town Council.

**Departmental Recommendation :** Approve the purchase.

**Finance Recommendation :** Recommend approval.

**Purchasing Recommendation :** Purchasing Requirements have been met.

**Town Attorney Recommendation :** The Town Council may approve the proposed contract modification and expenditure of funds in its discretion.

**Town Manager's Recommendation :** I recommend the Town Council approve the purchase of 500 tons of sand from Gudelsky Materials as presented.

Cost and Financing: \$12,625.00

Account Number: 10431-46015
