**Subject:**

Award Park and Locust Streets SE Mini Roundabout Construction Contract

**EXPLANATION AND SUMMARY :**

After receiving notice of a \$264,000 grant (\$52,800 local match) for a mini-roundabout in April 2015, Town Council awarded a \$50,000 survey and design contract. The final design, approved by VDOT and the Federal Highway Administration, will remove the existing stop sign on Locust and install a mini-roundabout in the existing right-of-way to improve safety for pedestrians and bicyclists, reduce traffic congestion, and increase intersection capacity.

On May 10, 2016 five bids were opened for IFB 16-21, Park and Locust Streets - Mini Roundabout UPC 107242. Of those bidders, M&F Concrete, of Manassas VA, was deemed the lowest responsive and responsible bidder with a total bid amount of \$292,049.66.

To cover the funding shortfall, Vienna requested a \$260,000 (no local match) reallocation of unspent funds from the CMAQ Traffic Signal Reconstruction project, UPC 100489 for the mini-roundabout project.

We recommend award of a \$350,460 (\$292,049.66 + 20% contingency) construction contract to M&F Concrete.

**Departmental Recommendation :** Award construction contract

**Finance Recommendation :** Recommend approval

**Purchasing Recommendation :** Recommend Approval

**Town Attorney Recommendation :** The Town has competitively bid this project and may award the contract to the lowest responsive and responsible bidder in the discretion of Town Council.

**Town Manager's Recommendation :** I recommend the Town Council award the amount presented for the Park and Locust Streets SE Mini Roundabout.
