Subject:

320 Nutley St SW Performance Bond Extension Request

EXPLANATION AND SUMMARY :

On February 27, 2017 Town Council approved a two- lot subdivision at 320 Nutley Street SW. The current bond expires in September. Development on this parcel has not yet started. Developer Barry Schwartz requests an extension of the performance bond for public improvements, in accordance with Vienna Code Sec. 17-65, associated with the subdivision located at 320 Nutley St SW. Since all bonded public improvements are minor and will be completed with the house construction, DPW recommends that the bond be extended for an additional 18 months so that the remainder of public improvements can be completed.
