Subject:

Request approval for spending \$1,000,000 with E.E. Lyons Construction for water main and appurtenance improvements within the Town's water service area

EXPLANATION AND SUMMARY :

The Department of Public Works requests approval for spending in the amount of \$1,000,000 to utilize IFB 16-19 Provision & Installation of Water Mains & Appurtenances for improvements throughout the Town's service area. Improvements will consist of new water meter installation, repairs to aging infrastructure, and provisions to increase functionality of the Town's water system. Improvements will be prioritized based on data of water main breaks and in coordination with concurrent Town projects. Specific project locations, selected from among those on the attached list, will be posted to the Town's website, and all impacted customers will receive notification with additional information and points of contact prior to the start of construction. Funds will come from the 2020 CIP Bond.
