Subject:

Approval of spending with Moody's Investor Services for bond rating services

EXPLANATION AND SUMMARY :

Moody's Investor Services is one of the three major bond rating agencies that provide localities with ratings that are used to issue bonds. Town representatives visited Moody's in February as part of the rating review in advance of the 2020 bond issue. Due to the large amount of the bond issue and the visit to New York, the invoice for services was greater than \$30,000.
