Subject:

Request formal approval of an emergency procurement, which was previously granted expedited approval, to spend \$71,176 with Resurface Inc. for repairs and improvements to tennis and basketball courts at Glyndon Park.

EXPLANATION AND SUMMARY :

The Department of Parks and Recreation requests approval to spend \$71,176 with Resurface Inc. to repair, resurface, recolor, and restripe the tennis and basketball courts and replace basketball backboards and goals at Glyndon Park.

Town staff identified damage to the Glyndon Park tennis courts. The torn fabric and cracks have created a safety hazard. This project was identified as an FY2024 CIP item at a cost of \$35,000; this estimate did not include additional costs related to extensive damage concerns. Since the cost exceeds \$30,000, an email was sent to Town Council August 20, 2020 requesting Town Council's authorization to spend \$71,176 for these repairs and improvements at Glyndon Park. The Town Manager received approval from the majority of Council on August 21, 2020 to authorize spending \$71,176 with Resurface Inc.
