Presentation of the Outdoor Living Space Survey Results

Summary:

A survey on outdoor living space was created to collect input from the community as part of the Community Conversation event on March 2, 2020. Attendees at the event were provided paper surveys to complete and an online survey was available for anyone unable to attend the event in person.

The attached document summarizes the responses collected. Of the 242 survey responses received, 178 were verified responses from Town addresses.
