Recognizing Businesses During Business Appreciation Month

EXPLANATION AND SUMMARY :

Every May, the Commonwealth of Virginia recognizes Business Appreciation Month-a time where businesses are celebrated for their role in our communities, their innovation, and dynamic services and operations. During this presentation, the Economic Development Division and the Sustainability Commission will call attention to this month-long recognition and celebrate the businesses that are this year's newest Sustainability Challenge award winners. The Sustainability Challenge is an award given to business owners by the Town of Vienna Sustainability Commission.
