TOWN OF VIENNA, VA.

NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN pursuant to the provisions of the Code of Virginia, including but not limited to, Sections 15.2-1433 and 15.2-2204, and the Charter and Code of the Town of Vienna, Virginia, the Town Council will conduct a Joint Public Hearing, with the Planning Commission, on **Monday, July 10, 2023, beginning at 8:00 p.m., and on Wednesday, July 12, 2023, beginning at 7:30 p.m. in the Council Chambers, Town Hall, 127 Center Street, South**, on repealing Chapters 17 and 18 of the Code of the Town of Vienna and adopting a new proposed Chapter 18, which incorporates the content, as amended, of the previous Chapters 17 and 18.

The proposed Chapter 18 includes the following updates and amendments: reorganization, renumbering, and reformatting of the ordinance; incorporating graphics and hyperlinks; summarizing of dimensional requirements in tables; providing complete tables of uses and relevant use standards for each zoning district; ensuring that all requirements are consistent with the Virginia State Code; clarifying administrative processes and decision authorities; and updating definitions.

The proposed Chapter 18 also incorporates former provisions of Chapter 17 including but not limited to subdivisions; increases to the maximum permitted heights in certain locations (Avenue Center and Gateway South); increases to the front setbacks along Maple Avenue; updates to standards for lighting, signage, parking, loading, landscaping and screening; and reclassification of commercial zones and multi-unit attached residential zones. It also removes the current restriction, in all zones and districts that permit mixed-use development, that an "apartment [must be]... located in a building which is principally occupied and used for other uses permitted" in that zone or district, while continuing to require non-residential uses on the ground floor; and, on parcels zoned for townhouse or duplex development with a current maximum of 8 dwelling units per acre, permits a range of residential development up to 30 multi-unit dwellings per acre. No density changes are proposed for areas zoned for single-unit detached residential development.

The purpose of the update is to implement the Town of Vienna Comprehensive Plan; maintain Vienna as an attractive and harmonious community; encourage economic development; and for other reasons required by the public necessity, convenience and general welfare, and good zoning practice.

At said Public Hearing any and all interested persons will be given an opportunity to speak in favor or in opposition repeal of Chapter 17 and adoption of the proposed updated Chapter 18, or parts therein. Interested persons may also provide written comments to the Town Council by sending them to the Clerk, at mclark@viennava.gov or by US mail c/o Town Clerk, 127 Center Street South, Vienna, Virginia 22180. **Written comments must be received by no later than July 26, 2023.**

Copies of all pertaining documentation are available in the Office of the Town Clerk and the Department of Planning and Zoning, and may be viewed Monday through Friday during regular working hours, 8:00 a.m. through 4:30 p.m. or online at <http://www.viennava.gov/zoningdraft>. Dear Vienna Community Member:

Per requirements of the Commonwealth of Virginia and the Vienna Town Code, this letter serves to inform you that the Town of Vienna, through the project entitled Code Create Vienna, is considering updates to the Town's zoning and subdivision regulations and that Vienna Town Council and Planning Commission will hold a joint public hearing and receive public testimony on these proposed updates on **Monday, July 10, 2023, beginning at 8:00 p.m., and on Wednesday, July 12, 2023, beginning at 7:30 p.m. in the Council Chambers, Town Hall, 127 Center Street, South.**

The proposal involves adopting a proposed new Chapter 18 of the Town code, which would incorporate the contents, as amended, of the existing Chapters 17 and 18, which cover subdivision and zoning, respectively. **The proposed document may be found online at www.viennava.gov/zoningdraft, or in printed copy at the Vienna Department of Planning and Zoning, Monday through Friday during the Town's regular working hours, 8:00 a.m. through 4:30 p.m.**

The proposed new Chapter 18, if adopted, would reorganize, renumber, and reformat the ordinance for increased clarity and ease of use. It also would change certain standards in the following areas: maximum building heights (in certain limited commercial areas), the mix of uses within buildings in commercial areas; setbacks, lighting, signage, parking, loading, landscaping and screening. More detail on proposed changes can be found on the Code Create web site, at www.codecreatevienna.com.

All interested persons will be given an opportunity to speak at the public hearing. Interested persons may also provide written comments to the Town Council by sending them to the Town Clerk, at mclark@viennava.gov, or by US mail c/o Town Clerk, 127 Center Street South, Vienna, Virginia 22180. **Written comments must be received by no later than July 26, 2023.**

Sincerely,

David B. Levy, AICP

NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN pursuant to the provisions of the Code of Virginia, including but not limited to, Sections 15.2-1433 and 15.2-2204, and the Charter and Code of the Town of Vienna, Virginia, the Town Council will conduct a Joint Public Hearing, with the Planning Commission, on **Monday, July 10, 2023, beginning at 8:00 p.m., and on Wednesday, July 12, 2023, beginning at 7:30 p.m. in the Council Chambers, Town Hall, 127 Center Street, South**, on repealing Chapters 17 and 18 of the Code of the Town of Vienna and adopting a new proposed Chapter 18, which incorporates the content, as amended, of the previous Chapters 17 and 18.

The proposed Chapter 18 includes the following updates and amendments: reorganization, renumbering, and reformatting of the ordinance; incorporating graphics and hyperlinks; summarizing of dimensional requirements in tables; providing complete tables of uses and relevant use standards for each zoning district; ensuring that all requirements are consistent with the Virginia State Code; clarifying administrative processes and decision authorities; and updating definitions.

The proposed Chapter 18 also incorporates former provisions of Chapter 17 including but not limited to subdivisions, increases to the maximum permitted heights in certain locations (Avenue Center and Gateway South); increases to the front setbacks along Maple Avenue; updates to standards for lighting, signage, parking, loading, landscaping and screening; and reclassification of commercial zones and multi-unit attached residential zones. It also removes the current restriction, in all zones and districts that permit mixed-use development, that an “apartment [must be]... located in a building which is principally occupied and used for other uses permitted” in that zone or district, while continuing to require non-residential uses on the ground floor; and, on parcels zoned for townhouse or duplex development with a current maximum of 8 dwelling units per acre, permits a range of residential development up to 30 multi-unit dwellings per acre. No density changes are proposed for areas zoned for single-unit detached residential development.

The purpose of the update is to implement the Town of Vienna Comprehensive Plan; maintain Vienna as an attractive and harmonious community; encourage economic development; and for other reasons required by the public necessity, convenience and general welfare, and good zoning practice.

At said Public Hearing any and all interested persons will be given an opportunity to speak in favor or in opposition repeal of Chapter 17 and adoption of the proposed updated Chapter 18, or parts therein.
